## Coal Sourcing & Logistic – Jakarta Office

### Job Overview:

Analyze coal market trends, manage procurement activities, and ensure smooth coal supply operations in accordance with contractual obligations. Furthermore, build strong relationships with stakeholders and provide strategic mining recommendations based on comprehensive evaluations.

### Job Requirements:

1. Bachelor's Degree in Mining, Engineering, Economics, or a related field.
2. Above 2 years to 5 years of experience in coal procurement, market analysis, or supply chain management.
3. Strong analytical and strategic thinking skills.
4. Excellent communication and stakeholder management abilities.
5. Proficient in Microsoft Excel and PowerPoint for data analysis and reporting.
6. Ability to work independently and collaboratively across departments.
