

We Are Hiring

Risk Management – Jakarta Office

Job Overview:

Implement and maintain a company-wide risk management system that includes identifying and analyzing key risks, developing mitigation plans, and preparing periodic reports. Also, monitor risk controls, track new and existing risks, and support internal process improvements by implementing best practices.

Job Requirements:

1. Bachelor's Degree in Economics or Engineering.
2. Above 3 years to 5 years of relevant experience in risk management or related fields.
3. Proven strategic thinking and analytical capabilities.
4. Strong knowledge of business research, business process mapping, and process analysis.
5. Advanced proficiency in Microsoft Excel and PowerPoint, especially in data analysis, data consolidation, and reporting.
6. Excellent project management skills with the ability to manage and prioritize multiple complex projects.
7. Strong presentation and communication skills, with the ability to interact effectively across all levels of the organization, including senior leadership.
